

# hole punches drawing activity

**You will need:**

scrap paper, white paper, coloured paper or old magazines  
a hole punch  
a sheet of coloured paper  
glue  
pen or pencil

**What to do:**

Punch holes from your paper using a hole punch.

Carefully open the hole punch to collect the paper circles.

Stick your paper punches on to a sheet of coloured paper. Arrange them in groups of different sizes by sticking one, two or three paper punches together or arranging them in lines.

Now draw around your paper punches to turn each one in to something else.

How many different things can you make?
